Important terms to know

Copay

This is a fixed amount you pay each time you use a medical service, such as a doctor's office visit, prescription refill or a hospital stay. **For example**, let's say you qualify for Essential Plan 1, which has a \$15 copay for a doctor office visit. If you go to your doctor for strep throat, you pay \$15 at the time of your visit and we pay the rest.

Deductible

The amount of money you have to pay before we will make any payments toward health care services.

Covered in full

100% of the total cost is covered by us and you do not have to pay anything.

Out-of-pocket maximum

An annual limit on the amount of money that you would have to pay for health care services, not including your monthly premium.
