SECTION 3 How to Change Plans

To stay in Univera Medicare Freedom (HMO-POS), you don't need to do anything. Unless you sign up for a different Medicare health plan or change to Original Medicare by December 7, 2026, you'll automatically be enrolled in our Univera Medicare Freedom (HMO-POS).

If you want to change plans for 2027, follow these steps:

- **To change to a different Medicare health plan,** enroll in the new plan. You'll automatically be disenrolled from Univera Medicare Freedom (HMO-POS). Remember, not all Medicare health plans cover prescription drugs. Also be aware that for many plans you can't join a Medicare health plan and simultaneously purchase a prescription drug plan.
- **To change to Original Medicare with separate Medicare drug coverage,** enroll in the new Medicare drug plan. You'll be automatically disenrolled from Univera Medicare Freedom (HMO-POS).
- **To change to Original Medicare without a drug plan,** you can send us a written request to disenroll. Call Customer Care at 1-877-883-9577 (TTY users call 711) for more information on how to do this. Or call **Medicare** at 1-800-MEDICARE (1-800-633-4227) and ask to be disenrolled. TTY users can call 1-877-486-2048. If you don't enroll in a Medicare drug plan, you may pay a Part D late enrollment penalty (Go to Section 4)

As a reminder, Univera Healthcare offers other Medicare health plans. These other plans can have different coverage, monthly plan premiums, and cost-sharing amounts.

Section 3.1 – Deadlines for Changing Plans

People with Medicare can make changes to their coverage from **October 15 - December 7** each year.

If you enrolled in a Medicare Advantage plan for January 1, 2027, and don't like your plan choice, you can switch to another Medicare health plan (with or without Medicare drug coverage) or switch to Original Medicare (with or without separate Medicare drug coverage) between January 1 - March 31, 2027.

Section 3.2 – Are there other times of year to make a change?

In certain situations, people may have other chances to change their coverage during the year. Examples include people who:

- Have Medicaid
- Get Extra Help paying for their drugs
- Have or are leaving employer coverage
- Move out of our plan's service area

If you recently moved into or currently live in, an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare drug coverage) or switch to Original Medicare (with or without separate Medicare drug coverage) at any time. If you recently moved out of an institution, you have an opportunity to switch plans or switch to Original Medicare for 2 full months after the month you move out.

SECTION 4 Get Help Paying for Prescription Drugs

You may qualify for help paying for prescription drugs. Different kinds of help are available:

- **Extra Help from Medicare.** People with limited incomes may qualify for Extra Help to pay for their prescription drug costs.
