Who can join?

To join **Univera SeniorChoice Basic (HMO)**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area. Our service area includes the following counties in New York: Allegany, Cattaraugus, Chautauqua, Erie, Genesee, Niagara, Orleans, and Wyoming.

Which doctors, hospitals, and pharmacies can I use?

Univera SeniorChoice Basic (HMO) has a network of doctors, hospitals, and other providers.

Univera SeniorChoice Basic (HMO) also has a network of pharmacies. You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan's provider/pharmacy directory at our website at medicare.univerahealthcare.com. Or call us and we will send you a copy of the directory.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers—and more. Some of the extra benefits are outlined in this booklet.

Univera SeniorChoice Basic (HMO) covers Part D drugs. You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website at medicare.univerahealthcare.com. Or call us and we will send you a copy of the formulary.

In addition, **Univera SeniorChoice Basic (HMO)** covers Part B drugs including chemotherapy and some drugs administered by your provider.

How will I determine my drug costs with Univera SeniorChoice Basic (HMO)?

Univera SeniorChoice Basic (HMO) group each medication into "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur: Deductible, Initial Coverage and Catastrophic Coverage.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer care representative at 1-800-659-1986 (TTY 711).

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit medicare.univerahealthcare.com or call 1-800-659-1986 (TTY 711) to view a copy of the EOC.
- ☐ Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services that you routinely see a doctor. Visit medicare.univerahealthcare.com or call 1-800-659-1986 to request a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/coinsurance may change on **January 1, 2028**.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ☐ Effect on Current Coverage. Your current health care coverage will end once your new Medicare coverage starts. For example, if you are in Tricare or a Medicare plan, you will no longer receive benefits from that plan once your new coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
