

Travel and Lodging Reimbursement Form for Expenses Relating to Eligible Out-Of-Area Organ and Tissue Transplant(s)

We understand that this is a difficult time for you and your family. We are ready to help guide you, so you receive appropriate reimbursement for your out-of-area transplant-related services. To receive reimbursement according to your benefits, please complete this form and include receipts where noted.

If you have any questions regarding this benefit, please call the number on the back of your member ID Card.

Eligibility

To be eligible for this benefit, the transplant service must be performed at a Centers for Medicare and Medicaid Service (CMS) approved facility located greater than 75 miles from the member's legal permanent residence. The following types of transplants are covered for this benefit: corneal, kidney, kidney-pancreatic, heart, liver, lung, heart/lung, bone marrow, stem cell, intestinal/multivesicular. This benefit applies to the Medicare Advantage member and one companion to accompany the patient. A companion may be a spouse, family member, legal guardian, or any person not related to the member but actively involved in the member's care. Patients who are minors are allowed travel benefits for themselves, one or both parents, or a parent and designated companion.

Reimbursement

Automobile expenses (mileage and gas) will be reimbursed at the IRS medical mile-approved rate in effect on the date of travel, which can be found at www.irs.gov and based on an objective source such as Google Maps/MapQuest. Tolls and parking are reimbursable while traveling to the transplant center with a receipt.

- Airfare reimbursement is limited to coach or economy fares. This includes the cost for one bag per covered person. Additional baggage fees are excluded.
- When rental vehicles are used, rental fees are covered, but mileage will not be reimbursed separately.
- Reimbursement of lodging will be based up to the per diem rate for lodging specified by the U.S. General Services Administration, which is available at www.gsa.gov or the actual cost of the lodging based on submitted receipts, whichever is less.
- The maximum amount payable for travel and lodging related to the initial transplant is limited to \$10,000.00 per transplant.
- Travel receipts must be submitted within 365 days (1 year) from the date of discharge.
- Limited to the Transplant Period which is defined as 5 days prior to the transplant and ends when the member returns home after discharge from inpatient (Skilled Nursing or Rehabilitation) Facility.
- Reimbursement for travel and lodging for both the patient (subscriber) and the companion will be made payable to the subscriber.
- Member cost-sharing responsibilities (copays/coinsurance/deductibles) do not apply to travel and lodging services. If a member elects to receive a non-covered service, he or she is responsible for the entire charge associated with the non-covered service.
- Travel and lodging do not count toward the maximum out-of-pocket cost limits.
- Travel and accommodation for follow-up visits from the member's home back to the transplant facility are excluded from this benefit.
